Who We Are

Modern Retro Dating (MRD) is all about bringing back real connections in a digital-first world. We believe dating should be fun, effortless, and social—not just another app on your phone. Our mission is to create vibrant, in-person experiences where chemistry happens naturally, without the pressure of algorithms or endless swiping.

What We Do

Modern Retro Dating hosts **unique dating experiences** for singles who want more than just small talk and profile pictures. **Mix | Sip | Flirt** is our signature singles social mixer events, designed for relaxed, effortless connections over great drinks and good conversation. We also offer **dating coaching, personal matchmaking, and date night experiences** for couples who want to keep the spark alive.

The Pre-Game: Getting in the Right Mindset

- ✓ Dress to Impress (Yourself!) – Wear something that makes you feel confident and comfortable. First impressions count, but feeling good in your outfit matters most
- ✓ Leave the Nerves at the Door – Everyone's in the same boat! This isn't a job interview—it's a night out to enjoy yourself.
- ✓ Set a Goal – Whether it's making new friends, practicing conversation skills, or landing a great date, go in with a positive mindset.

Conversation Starters & Icebreakers

Not sure how to start a chat? Try these:

- *"So, what's the most spontaneous thing you've ever done?"*
- *"If you could relive any decade, which one and why?"*
- *"What's one thing on your bucket list?"*
- *"Worst dating advice you've ever received?"*

 Pro Tip: Ask open-ended questions and actually listen—flirting is about engagement, not just talking!

Flirting Like a Pro (Without the Cheese)

- Flirting is confidence + fun. Keep it natural with these tips:
- Eye Contact is Your Friend – Hold it just long enough to spark interest.
- Be Playful – Light teasing, a shared joke, or a funny observation goes a long way.
- Body Language Speaks Volumes – Face the person, lean in slightly, and relax your posture.
- Give Genuine Compliments – *"That's a great jacket"* beats *"You have nice eyes"* every time!
